

ABOUT US

At MDS we are passionate about designing beautiful homes that will be enjoyed by families for many generations to come. We pride ourselves on a professional, personal service and an outstanding attention to detail.

MDS was founded by Director Mark Wilson in 2002. Mark has been involved in architectural design, construction and construction management for over 30 years. Mark is also an architectural judge for the Registered Master Builders 'House of the Year' awards.

Over the years MDS have established strong working relationships with various consultants, building contractors and planners which ensures clear, efficient and precise communication through the design and construction process.
